Haynes manuals are written specifically for the do-it-yourselfer, yet are complete enough to be used by professional mechanics. Since 1960 Haynes has produced manuals written from hands-on experience based on a vehicle teardown with hundreds of photos and illustrations, making Haynes the world leader in automotive repair information.

Nissan Z is the officially licensed 50th anniversary history of Nissan's legendary Z family of sports cars.

The fifth Nissan Z car generation, the 350Z Coupe, made its US debut as a 2003 model and was offered with five levels of trim. The Roadsters appeared the following year. The 350Z filled a gaping hole in the market and was greeted enthusiastically. Models reported on are the Coupe, Roadster, GT4, GT-S and Nismo. Included are road and comparison tests, updates, specifications plus advice on acquiring a good used 350Z.

An ultimate inside look at one of 2003's hottest new cars, the Nissan 350Z. Featuring the brilliant text and photography of John Lamm, this book is written in cooperation with the Nissan Corporation, which has pledged full access to archives, design drawings, mockups, and key players within the company. With its reasonable price, high power, and gorgeous looks, Nissan has hit the bull's eye and created a car that is sure to be revered by a legion of fans.

Since its introduction in 1998, the water-cooled Porsche 911 has earned a reputation as one of the world's greatest sports cars - equal to, if not better than, the legendary air-cooled 911 it replaced. The 911 is a true driver's car, and it offers its greatest driving rewards when properly maintained, tuned, and modified. One of the principal drawbacks to owning a Porsche is the relatively high cost of maintaining it. You can literally save thousands of dollars in mechanic's costs simply by performing some of the work yourself. With 101 Projects for Your Porsche 911 996 and 997 1998-2008, written by renowned Porsche author Wayne Dempsey, you'll be able to get into the garage and work on your 911 with confidence. Created with the weekend mechanic in mind, this highly illustrated Motorbooks Workshop title offers 101 step-by-step projects designed to help you maintain, modify, and improve your late-model 911. Focusing on the water-cooled 996 and 997 models, this book presents all the necessary knowledge, associated costs, and pitfalls to avoid when performing an expansive array of projects. And besides the savings, when you personally complete a job on your Porsche, you get the added satisfaction of having done it yourself.

Give new life to your MGB! With the aid of nearly 1,400 illustrations, and a text aimed at the do-it-yourselfer, this information-packed volume provides detailed, step-by-step information on everything you need to renovate your MGB body, interior, upholstery, engine, and electrical components. The popular handbook to estate planning, now updated for 2018 Since its first publication in 2002, New Rules for Estate, Retirement, and Tax Planning has sold more than 40,000 copies, providing a solid, accessible introduction to estate planning for any age or income bracket. Now in its sixth edition, Estate, Retirement, and Tax Planning continues this tradition, covering such topics as trusts, donations, life insurance, and wills in easy-to-understand language that offers valuable insights and solid strategies to help you preserve your wealth and plan your estate so that your assets go where you want with a minimum of taxes and government interference. This comprehensive guide answers such common questions as: How much do I need to retire comfortably? How do I protect my children's inheritance? How do I ensure planned donations are made after I'm gone? And many more. The Sixth Edition is also fully updated to reflect changes following the 2018 Tax Cuts and Jobs Act, so that you can learn how new regulations could impact your inheritance and trusts. Other notable features include advice on working with elderly parents and introducing financial planning to children and teenagers, in addition to a list of professional advisers and a glossary of estate planning terms. Understand estate planning and obtain solid strategies for growing your wealth Explore asset protection and succession planning strategies Discover how recent updates to the tax code could affect you and your heirs Stay informed of any relevant law changes with an author-managed web site Estate, Retirement, and Tax Planning contains a wealth of valuable information for any adult who needs help planning their financial future, from the established professional heading toward retirement, to the young adult looking to understand the basics. Wherever you are in your journey, use Estate, Retirement, and Tax Planning to ensure your legacy is protected.
