Articulating Design Decisions: Communicate with ...

Articulating Design Decisions is a must have book for anyone in the creative field, I'd even argue that people who are solely developers, and rarely touch designs should read it too. Tom has done an excellent job in tackling the issues that we all face when explaining our choices to our clients and the rest of the team.

Articulating Design Decisions Communicate With ...

Talking to people about your designs might seem like a basic skill, but it can be difficult to do efficiently and well. And, in many cases, how you communicate about your work with stakeholders, clients, and other non-designers is more critical than the designs themselves--simply because the most articulate person usually wins. This practical guide focuses on principles, tactics, and ...
