Clearly, Flynn was first a writer and second a thespian. His adroit vocabulary splashes onto mental canvas all the colours of his daring youth. It flies in the face of the tacky smear-job foisted as his autobiography (*My Wicked Wicked Ways* is a fake and a forgery). No way that Flynn wrote that drivel. *Beam Ends* proves his writer's voice.

The reason I say this is because by the way that Beam Ends is written, (descriptions mainly), it is clear that Errol Flynn had a true writing talent. Flynn wrote this book when he was about 28 years old. It's a treat for the Errol Flynn fan because you can really hear him speaking throughout the book.
