to buy a new or used boat. Ensure the boat you're buying is a certified boat. Determine how much boat you can afford—our boat loan calculator can help.

How to Buy a Boat: A Complete Guide to Boat Shopping

Buying a boat can be very emotional, so it's important to step back from that while you are negotiating a price, checking for online fraud, and completing the paperwork—that is, until you've actually closed the deal. It's also important (especially with a private sale) to make sure the owner actually owns her.

How to Buy a Boat: Tips for a First Time Buyer - boats.com

Take advice from the boat builder about the best options for your craft. If possible, test drive a couple of different engine options on the same boat. If you can't afford a new engine, think about reworking/upgrading your prop (see How to change a propeller). If you like watersports, Evinrude's clean, torque-generous G2s should be on your ...
