Born to Swing: Lil Hardin Armstrong's Life in Jazz

Lil Armstrong (Lillian Hardin, February 3, 1898 – August 27, 1971) was a jazz pianist, composer, arranger, singer, and bandleader, and the second wife of Louis Armstrong with whom she collaborated on many recordings in the 1920s. Hardin's compositions include "Struttin' With Some Barbecue", "Don't Jive Me", "Two Deuces", "Knee Drops", "Doin' the Suzie-Q", "Just For a Thrill" (which became a major hit when revived by Ray Charles in 1959), "Clip Joint", and "Bad Boy" (a minor hit for Ri...

Rockliff, Mara and Michele, Wood, Born to Swing: Lil Hardin Armstrong's Life in Jazz. Honesdale, Pennsylvania: Calkins Creek, an imprint of Highlights, 2018. MLA Citation (style guide)

"Ever since she was a young girl, Lil Hardin played music with a beat. She jammed at home, at church, and even at her first job in a music store. At a time when women's only place in jazz was at the microphone, Lil earned a spot playing piano in Chicago's hottest band"--Dust jacket flap.

Lil Hardin and her man, Louis Armstrong, were musical royalty--inventing a new kind of sound--makin' jazz. Believe it, baby! This is the true story of Lil Hardin Armstrong: pianist, composer, and bandleader in the early days of jazz. Ahead of her time, Lil made a career for herself--and for Louis Armstrong, her modest, unassuming husband. Louis might never have become the groundbreaking jazz player he was, if it hadn't been for Lil. Scat-inspired verse celebrates how Lil overcame race and gender barriers to become the first lady of the Chicago jazz scene. "Brimming with a contagious love of jazz and its first lady, this work brings down the house"--Kirkus Reviews, STARRED review

Lillian Lil Hardin was a pioneer for women in jazz. After studying at Fisk University, the Chicago College of Music, and the New York College of Music, Lil joined Sugar Johnny's Creole Orchestra and then moved on to Freddie Keppard's Original Creole Orchestra. In the 1920's Lil began playing in King Oliver's world-famous Creole Jazz Band, becoming the first female jazz musician of renown. She was well-established in Chicago as a pianist, composer, arranger, and bandleader before she met and married Louis Armstrong in 1924. She was the only member of Armstrong's group that could read music. Based on extensive research, Dickerson's stunning biography is the first to examine this musical iconoclast's life and career.

Presents the life and accomplishments of Duke Ellington, focusing on the social aspects of his music and career as well as his personal life.

A picture book biography that will inspire readers to dance to their own beats! Singer, dancer, actress, and independent dame, Josephine Baker felt life was a performance. She lived by her own rules and helped to shake up the status quo with wild costumes and a you-can't-tell-me-no attitude that made her famous. She even had a pet leopard in Paris! From bestselling children's biographer Jonah Winter and two-time Caldecott Honoree Marjorie Priceman comes a story of a woman the stage could barely contain. Rising from a poor, segregated

upbringing, Josephine Baker was able to break through racial barriers with her own sense of flair and astonishing dance abilities. She was a pillar of steel with a heart of gold—all wrapped up in feathers, sequins, and an infectious rhythm.

The inspiring story of Bobbi Gibb, the first female to run the Boston Marathon in 1966, comes to life in stunningly vivid collage illustrations. Full color.

A tour of the sights of Harlem, including the Metro-North Train, brownstones, shopping on 125th Street, a barber shop, summer basketball, the Boy's Choir, and sunset over the Harlem River.

AN INTERACTIVE, SWING-ALONG PICTURE BOOK—WITH 12 SOUND CHIPS! Are you ready to swing? Discover the wonders of jazz: How to get in the groove, what it means to play a solo, and the joy of singing along in a call-and-response. In this interactive swing-along picture book with 12 sound chips, you'll hear the instruments of jazz—the rhythm section with its banjo, drums, and tuba, and the leads, like the clarinet, trumpet, and trombone. And you'll hear singers scat, improvising melodies with nonsense syllables like be-bop and doo-we-ah! Along the way, you'll learn how this unique African American art form started in New Orleans, and how jazz changed over time as innovative musicians like King Oliver, Louis Armstrong, Duke Ellington, and Billie Holiday added their own ideas to it. Press the buttons to hear the band, the rhythms, and the singer calling out: "OH WHEN THE SAINTS—oh when the saints..."

A collection of poems recounts the efforts of Esquire magazine graphic designer Art Kane to photograph a group of famous jazz artists in front of a Harlem brownstone.

Throughout his life, Louis Armstrong tried to explain how singing with a barbershop quartet on the streets of New Orleans was foundational to his musicianship. Until now, there has been no in-depth inquiry into what he meant when he said, "I figure singing and playing is the same," or, "Singing was more into my blood than the trumpet." *Creating the Jazz Solo: Louis Armstrong and Barbershop Harmony* shows that Armstrong understood exactly the relationship between what he sang and what he played, and that he meant these comments to be taken literally: he was singing through his horn. To describe the relationship between what Armstrong sang and played, author Vic Hobson discusses elements of music theory with a style accessible even to readers with little or no musical background. Jazz is a music that is often performed by people with limited formal musical education. Armstrong did not analyze what he played in theoretical terms. Instead, he thought about it in terms of the voices in a barbershop quartet. Understanding how Armstrong, and other pioneer jazz musicians of his generation, learned to play jazz and how he used his background of singing in a quartet to develop the jazz solo has fundamental implications for the teaching of jazz history and performance today. This assertive book provides an approachable foundation for current musicians to unlock the magic and understand jazz the Louis Armstrong way.
