Spain's soldier-explorers, the Conquistadors, overthrew the two most powerful native kingdoms of the New World - the Aztec kingdom of Mexico and the Inca realm in Peru. Neither kingdom could withstand the shock of invasion by steel-clad Spanish troops, some of them mounted on trained workhorses which no Indian had ever seen before.

Conquest of the New World is very similar to the old classic Seven Cities game, or the more modern Civilization. Whether this is a good thing or not depends on your point of view. In the game you take on the role of one of five European colonial nations or an imaginary native nation (sort of an amalgam of several different cultures).
