The traditional Chinese way of life, in theory, advocates the harmony among the individual, the family and society. In traditional Chinese culture, the family is the basic unit of society, while individuals are only one part of the family. The blood relationship is the most important element of society. The "four generations under one roof" meant the cohabitation of the father and mother, son and daughter-in-law (or daughter and son-in-law), grandson and granddaughter-in-law, the great

This intriguing book explores how ordinary people in traditional China used contracts to facilitate the transactions of their daily lives, as they bought, sold, rented, or borrowed land, livestock, people, or money. In the process it illuminates specific everyday concerns during China's medieval transformation. Valerie Hansen translates and analyzes surviving contracts and also

Were running swiftly, the surface stability of the Tsarist regime show no indication of the turmoil ahead. The author, who is perhaps best known for his biography Tolstoy, describes Russian life through the eyes of a fictional young Englishman visiting a prosperous Russian merchant family. All facets of Moscow life are covered, from entertainment and night life to family life and the devotions of the Orthodox. We learn about Russia's factory workers and peasants, its soldiers and lawyers, its priests and its city officials, its Tsar and his entourage: what they do and what they wear, what they think and what they dream.
