"Codependency" is a term used to describe a relationship in which, by being caring, highly functional, and helpful, one person is said to support, perpetuate, or "enable" a loved one's ...

Codependency | Psychology Today

Facing Codependence. Sure, we are always working on our stuff, but saying that we are always in a state of recovery puts people in the negative. According to this book, it means someone who cannot establish self esteem from who they are independent of what they can do for others, it means someone who has trouble establishing boundaries.
