INTERNATIONAL BEST SELLER HEAVEN IS SO REAL! WITH OVER 1 MILLION COPIES SOLD Do you believe heaven really exists? Choo Thomas retells a stunning, personal story of how she saw the living Christ, visited Hell, and walked in Heaven. \*On January 19, 1996, I woke up at 3:00 in the morning. My body was shaking...I turned my head on the pillow to look in the direction of the sound, and there, all aglow, was a figure dressed in white garments. IT WAS THE LORD... How could this be happening to me? I wondered...as I began to tremble...and to weep tears of love and joy. "My daughter...I am your Lord, and I want to talk to you. I am going to visit you many times before this work is done." "The impact of His voice, His words, His message hit me with a supernatural force..." Not once not twice but ten times that month, the Lord Jesus appeared by her bedside and spoke to her. Then the journey began... SHARE Choo's humble narrative, as each heavenly visit prepares her for the next. SENSE the growing wonder of Jesus presence. FEEL the weight of His tender words. JOURNEY through heaven led by the Savior learning His holy thoughts. HEAR the heart-tearing, supernatural words spoken from the throne. DRINK in the Spirit of God. WONDER at the beauty of this revelation of heaven.

Korean American Choo Thomas recounts a personal story of how she supernaturally encountered the living Christ, visited hell, and walked in heaven.

Thomas, a Korean-American woman of God, has experienced physical manifestations from the Holy Spirit resulting in a series of heavenly journeys that have changed her life and her destiny. In this volume, she provides 90 days of reflections on supernatural encounters.

Why should we care about heaven? -- What is heaven like? -- When does a person go to heaven? -- Where is heaven? -- Who goes to heaven?

In this remarkable book, Rebecca Springer shares the wonders and joys of her glorious vision of heaven as she offers hope for the future of mankind. As her story unfolds, you will get a glimpse of the eternal home that awaits believers, as well as inspiration to continue in your spiritual walk. Receive comfort and encouragement by her accounts of celestial homes, the river of life, reunions with loved ones, and meeting the Master, the Lord Jesus Christ.Come venture Within Heaven's Gates!

Drawn from her decades of experience as a hospice nurse, Trudy Harris shares stories that offer an incredible glimpse at what lies beyond this world--ethereal music, colors that did not exist on earth, angels, and loved ones who have gone on before. She has been with hundreds of patients as they took their last breaths and knows the kinds of questions that both the dying and their loved ones ask: What happens when we die? What should I say to a loved one who is dying? How can I make a dying friend feel safe? The stories she shares will bring the reader comfort and peace even amidst pain. Tender, heartbreaking, and eye-opening, this expanded edition of the New York Times bestseller offers more incredible windows into the world beyond and life after death.

A paradigm-shifting blend of science, religion, and philosophy for the agnostic, spiritual-but-not-religious, and scientifically minded reader Many people are fed up with the way traditional religion alienates them, perpetuates conflict, vilifies science, and undermines reason. Nancy Abrams—a philosopher of science, lawyer, and lifelong atheist—is among them, but she has also found freedom in imagining a higher power. In A God That Could Be Real, Abrams explores a radically new way of thinking about God. She dismantles several common assumptions about God and shows why an omniscient, omnipotent God that created the universe and plans what happens is incompatible with science—but that this doesn't preclude a God that can comfort and empower us. Moving away from traditional arguments for God, Abrams finds something worthy of the name “God” in the new science of emergence: just as a complex ant hill emerges from the collective behavior of individually clueless ants, and just as the global economy emerges from the interactions of billions of individuals’ choices, God, she argues, is an “emergent phenomenon” that arises from the staggering complexity of humanity’s collective aspirations and is in dialogue with every individual. This God did not create the universe—it created the meaning of the universe. It’s not universal—it’s planetary. It can’t change the world, but it helps us change the world. A God that could be real, Abrams shows us, is what humanity needs to inspire us to collectively cooperate to protect our warming planet and create a long-term civilization.

Annie has many unanswered questions! Will she find her one and true love or will she be destined to stay single all her life and do a work for God?

The Great Procession chronicles a series of encounters with the Holy Spirit that Jacob Reeve experienced over the course of nine months immediately following a 40-day fast. During this time, Jacob was awakened almost every night by the Spirit to receive the next portion of an ongoing parable that picked up where it left off the night before. As the story unfolds, so does the contrast between the divisive religious mindset and the mindset of pure identity in Christ. The Spirit is revealing what it looks like for mankind to venture out from the island of isolation and into the open forests of God's Kingdom: hence the Great Procession. For many, this parable will represent a foundational shift in the way everything is seen. The incredible insights from the Holy Spirit answer many of those deep-down questions about life, purpose, and faith that many of us have, and will prove to be an indispensable resource for anyone who desires to live in a wholehearted, full embrace with Christ, knowing the King and His Kingdom, and living in the true faith, freedom, and love that the Holy Spirit beckons us into.

Book 2 has more content regarding how to position yourself to ascend into heaven. Addressing the varied reasons we ascend along with cultivating the lifestyle of heaven ascending. Many practice exercises as well as prayers included. Angels, The Cloud of Witnesses, intercession and The Fathers throne are among the subjects covered.
