What if, in a world where millions of us can capture and share our lives instantly with one another, there was a place to bring the best of these images together? Now there is. Life on Instagram is the first and only annual of its kind. Celebrating everyday moments of beauty, joy and imagination and uniting countless people from all over the globe, this book shows us who we are and how we live.

The mystery of the body in motion. The surprise of seeing what seems impossible. And the pure, joyful optimism of it all. Dancers Among Us presents one thrilling photograph after another of dancers leaping, spinning, lifting, kicking—but in the midst of daily life: on the beach, at a construction site, in a library, a restaurant, a park. With each image the reader feels buoyed up, eager to see the next bit of magic. Photographer Jordan Matter started his Dancers Among Us Project by asking a member of the Paul Taylor Dance Company to dance for him in a place where dance is unexpected. So, dressed in a commuter's suit and tie, the dancer flew across a Times Square subway platform. And in that image Matter found what he'd been searching for: a way to express the feeling of being fully alive in the moment, unself-conscious, present. Organized around themes of work, play, love, exploration, dreaming, and more, Dancers Among Us celebrates life in a way that's fresh, surprising, original, universal. There's no photoshopping here, no trampolines, no gimmicks, no tricks. Just a photographer, his vision, and the serendipity of what happens when the shutter clicks.

Gain Instagram followers, grow your personal brand, and influence others with your authentic personality, beautiful photography, and stunningly curated grid. Instagram is the place where trends break, tastes are made, and brands are launched. Plus it's packed with insightful analytics and handy business tools to help you elevate your social media presence to the next level. Create, connect with others, and share the way you see the world! Whether your passion is fitness, fashion, food, or anything in between, you can turn that passion into a business, inspire others, and meet amazing people. Learn from Tezza (@tezzzamb) and her friends how to tell compelling visual stories on the fastest-growing social media platform, with topics including photography tips, brand engagement strategies, and advice for finding management. InstaStyle is a must-have guide for a booming industry, full of beautiful imagery and easily understood guides to help you achieve your Instagram goals. You'll learn how you can create an immediately recognizable grid aesthetic and showcase your life while remaining true to your personal brand. With contributions from successful influencers, you'll be inspired to curate category-specific content to share with the Insta-universe.

For over a year, the photographer and journalist Gabriele Galimberti visited more than 50 countries and created colorful images of boys and girls in their homes and neighborhoods with their most prized possessions: their toys. From Texas to India, Malawi to China, Iceland, Morocco, and Fiji, Galimberti recorded the spontaneous and natural joy that unites kids despite their diverse backgrounds. Whether the child owns a veritable fleet of miniature cars or a single stuffed monkey, the pride that Galimberti captures is moving, funny, and thought provoking.

Wes Anderson's beloved films announce themselves through a singular aesthetic - one that seems too vivid, unique, and meticulously constructed to possibly be real. Not so - in Accidentally Wes Anderson, Wally Koval collects the world's most Anderson-like sites in all their faded grandeur and pop-pastel colours, telling the story behind each stranger-than-fiction-location. Based on the viral online phenomenon and community of the same name, Accidentally Wes Anderson celebrates the unique aesthetic that millions of Anderson fans love - capturing the symmetrical, the atypical, the unexpected, the vibrantly patterned, and distinctively coloured in arresting photographs from around the world. Authorised by Wes Anderson himself, and appealing to the millions who love his films, this book is also for fans of Cabin Porn and Van Life - and avid travellers and aspiring adventurers of all kinds.

Over 100 million people use the Instagram app to take beautiful, lo-fi photos of the special moments in their lives, and then instantly share them with the world. The first-ever crowd-sourced book of Instagram photos. This is Happening highlights that single, fleeting moment that makes us happy and just begs to be photographed—the perfect cup of coffee, a scenic moment on the morning commute, the joy of new shoes, a loved one's shy smile. Featuring over 200 stunning shots by many distinctive photographers, this petite yet chunky volume is an inspiring showcase of the easily overlooked details that fill us with wonder each day, all captured through the dreamy lens of Instagram.

Discussing the social uses of Instagram, this book shows how visually is changing people's perception of the world and their mediated lives, illustrating how the platform shapes new social relationships, marketing techniques, privacy and surveillance concerns, and representations of the self, arguing for the development of new mobile visualities.
