Manufacturing
Making Materials Flow
(Introduction) Harris, Rick; Chris
Harris, and Earl Wilson.

9/15/2003. "Because continuous flow is a major objective of lean production, we have worked hard over many years to create truly continuous flow in the shop-floor activities we have managed. In the past few years, we 've increasingly noted companies making progress in creating areas of continuous flow as more and more managers hear about value-stream mapping and grasp the power of continuous-flow cells."
