Introduction to Managerial Accounting by Folk/Garrison/Noreen is based on the market-leading text, Managerial Accounting, by Garrison and Noreen. However, this is not simply a briefer book with chapters removed; it has been rethought and retooled to meet the needs demanded by the market: a more accessible, yet thorough student-friendly text that satisfies the basic needs of the managerial accounting student without unnecessary depth on advanced topics associated with the follow-up course, cost accounting/cost management. Faculty and students alike will find this new text has retained the hallmark features of the Garrison/Noreen text: author-written supplements, excellent readability, terrific examples, thorough, relevant, and balanced end of chapter material. In sum, this is a book instructors can count on!

Discover the managerial accounting text written to complement the way you study and learn! CORNERSTONES OF MANAGERIAL ACCOUNTING, 3E, INTERNATIONAL EDITION uses a unique framework to show you the key concepts, or Cornerstones, of accounting. As you come to understand these fundamental calculations, you will develop critical problem-solving skills to make real business decisions.

Expanding on Proven Success with Horngren's Financial and Managerial Accounting Horngren ' s Financial and Managerial Accounting presents the core content of the accounting course in a fresh format designed to help today ' s learners succeed. The Eleventh Edition expands on the proven success of the significant revision to the Horngren franchise and uses what the authors have learned from focus groups, market feedback, and colleagues to create livelier classrooms, provide meaningful learning tools, and give professors resources to help students inside and outside the class. First, the authors ensured that content was clear, consistent, and above all, accurate. Every chapter is reviewed to ensure that students understand what they are reading and that there is consistency from chapter to chapter. The author team worked every single accounting problem and employed a team of accounting professors from across the nation to review for accuracy. This edition continues the focus on student success and provides resources for professors to create an active and engaging classroom. Through MyAccountingLab, students have the opportunity to watch author recorded solution videos, practice the accounting cycle using an interactive tutorial, and watch in-depth author-driven animated lectures that cover every learning objective. In addition, all instructor resources have been updated to accompany this edition of the book, including the PowerPoint presentations and Test Bank. Also available with MyAccountingLab © MyAccountingLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.
