Yes, James, you've got our attention. You've released your autobiography and, as a huge 'Gavin and Stacey' fan, I was so excited to read it. Not only is he the man responsible for one of the - if not the - biggest British comedies in the last decade, he's also well-known for his roles in ITV's 'Fat Friends' and both the stage and movie productions of Alan Bennett's 'The History Boys'.

May I Have Your Attention, Please? by James Corden

May I Have Your Attention Please? is the warm, cheeky, surprisingly honest and hilarious story of one of our most popular comedy talents. From his antics as one of the founding players of his high-school 's first ever rugby team to gaining recognition in the West End, to nationwide fame as the loveably loud Smithy in the award-winning Gavin and Stacey, this is a tenderly told story of what it ' s like to try, try and try again and - happily - get there in the end.

AIDA: May I Have Your Attention Please? 08 / 01 / 2020 ... And also your Interest, Desire and Action? I know, we all get pretty sick of marketing jargon and waffle. But writing thoughtful and creative content marketing isn ' t always easy, so a little help is usually welcome.

AIDA: May I Have Your Attention Please?

Previous research has shown that negative stimuli elicit more attention than do positive stimuli. However, this research has relied on response-based measures to assess attention. The current research uses the P1 component of the event-related brain potential (ERP) as a proximal index of attention allocation to valenced stimuli.

"A must read for anyone in the business of leading others." Ken May, CEO of Top Golf; former CEO of Fedex "If you want your team to stay focused, you will want to read Can I Have Your Attention?" Chester Elton, New York Times Best-Selling author of All In, The Carrot Principle and What Motivates Me Inspire better work habits. Focus your team. Get stuff done in the constantly connected workplace. As our workloads expand, attention has never been more valuable. Or more difficult to keep. In Can I Have your Attention?, Curt Steinhorst shows business leaders how to cut through the noise and get their employees back to work. Curt has spent years helping Fortune 500 companies overcome distraction and achieve focus. With technology creating endless opportunities to "improve productivity", people spend so much time responding to the interruptions that they've lost the ability to focus and do their jobs. Yet, the potential for harnessing the power of your team's attention has never been greater--if you can capture it. You'll learn how to: Implement a comprehensive organizational strategy to

increase focus and overcome digital distraction. Take back control of the technology in your organization and life. Establish a Communication Compact, defining how, when, and why your team will communicate with each other. Create a "vault" to increase productivity, decrease stress, and boost your creativity. Free yourself and your employees from the never-ending flood of emails and messages. Achieve unmatched focus in the age of distraction. The smartphone isn't going away. Learn the simple rules and guidelines that will improve focus and create the mental space needed for your people to work to their full potential.

As far back as he can remember James Corden has only ever wanted to be in one place: in front of you, doing something to make you cry, shout, scream or giggle uncontrollably. He knew where he wanted to be and he'd keep on trying until he got there. This is the story of how it all happened.

So... the story of my life. I've often thought about this moment, about what it would be like to write my memoirs. I always thought it would make me feel important. It doesn't. If anything it makes me feel a little strange. The truth is, I should never have been this famous guy. I wasn't the cool, clever, good-looking boy at school. But I always dreamt of it, hoped for it, longed for it: throughout school when I was disruptive, in my teens when I tried to form my own boy band and through hundreds of auditions for parts which were met with constant rejection. Until finally I co-wrote Gavin and Stacey. And my whole life changed. This is that story. The story of how I found myself here, talking to you.

Let's not mince words here: most business writing is tedious, pompous and bereft of the tiniest sliver of personality. It's near impossible for customers to cut through the "innovative solutions" and "passion for customer service," and find out who can actually give them what they need. For the business owner who's willing to do something different, though, it represents a major - and inexpensive - competitive advantage. *May I Have Your Attention, Please?* lays out 12 simple principles that allow business owners - even those with no writing experience - to attract and enchant their dream customers. With clear and concise explanations of what works and why, and examples of the best and worst text out there, you'll have all the tools you need to turn readers into buyers into raving fans. Give your writing skills an instant upgrade In this short book, you'll learn: Simple techniques to turn your dull-as-dishwater business marketing into "can't resist" copy - even if you don't think of yourself as a "good writer." How to make price irrelevant and be the only choice for your ideal customer - by changing nothing except your copywriting. The business writing "rules" you should revel in breaking. Why copying your competitors is a dangerous waste of time... and what to do instead (without spending hours searching for ideas). The easily avoidable mistakes that are turning your customers off - even if they don't know it. A simple framework to help you blast through writer's block and know exactly what to say in any piece of writing. How to "read your customers' minds," and get them looking for reasons to buy from you. Who is this book for? Business owners looking to breathe more life into their website, content marketing or sales materials. Employees who want to gain a new skill and have more impact in their work. Anyone who has something great to offer - but is struggling to get the message across.

What's a businessperson's biggest hidden asset? His or her own true story and authenticity One's personal identity is the key to one's professional brand. In *May I Have Your Attention, Please?*, Chris Hilicki illustrates how everyone can be successful by applying their personal experiences to business. Using real-world examples of famous corporations, celebrities, and the guy next door, Hilicki gets readers to use their best-and often most untapped-assets to build a better personal and professional life. Complete with thought-provoking chapter questions and practical exercises that readers can immediately apply to their plans for success, this unique guide offers step-by-step strategies that help readers examine their identity, make a lasting impression, and turn it into a reputation that transforms their businesses. Chris Hilicki (Nashville, TN) is founder and Vice Chair of Dalmatian Press, one of the U.S.'s most successful children's book companies. Formerly a scientist and now a publishing leader, she regularly speaks before industry leaders, live television audiences, and large conventions. Chris has been interviewed for *Forbes*, Inc., the *Wall Street Journal*, *Southern Living*, and *Publishers Weekly* and has appeared on television shows as an expert on building brands through the use of personal identity.

"A lively, approachable way to befriend your ADHD and thrive!"--Melissa Orlov, author of award-winning *The ADHD Effect on Marriage* *May We Have Your Attention Please?* will help you to conquer your adult ADHD -- in a way that's right for you. This practical and engaging workbook uses cutting-edge research and lessons from working with thousands of adults with ADHD, as shared by specialists with extensive professional -- and sometimes personal -- experience managing the disorder. Through digestible chapters and practical exercises you will: Learn how your brain works to leverage your ADHD for strength. Discover practical, hands-on activities to separate yourself from your symptoms. Find an approach to treatment that works for you. You'll share your journey with Jason, Candace, Tim and Amy: four characters embarking on different journeys through ADHD. Each will inspire you to see past mental health symptoms and boldly take ownership of your personal wellbeing. They represent resilience, growth, optimism and strength. Life is not linear: neither is working through ADHD. *May We Have Your Attention Please?* will lead you to a place of clarity and purpose, to live with, not in spite of, your ADHD. *May We Have Your Attention Please?* is brought to you by Springboard Clinic: offering innovative approaches to ADHD care since 2009. Looking to stay on track or enhance your reading experience? Our telecourse accompanies readers through this process over 8 weeks. Visit springboardclinic.com to find out more.

A communication strategist shares her eight-stage process for connecting with any number of people with two-way interactions. Did you know: • Goldfish, yes, goldfish, have longer attention spans than we humans do? • One in four people abandons a website if it takes longer than four seconds to load? Imagine if there were ways, in a world of impatience and INFObesity, to quickly intrigue busy, distracted people and earn their interest, trust and buy-in. Imagine if there was a process for pleasantly surprising decision-makers and convincing them you're the right person for the job, position, project or contract. You don ' t have to imagine it, Sam Horn has created it. Sam ' s innovative techniques have helped her clients close deals and raise millions of dollars, and will be your " secret sauce " to getting funded, hired, elected, promoted or referred. " These accessible techniques transcend generations and read like a modern-day version of *How to Win Friends and Influence People*. " —Miki Agrawal, one of *Forbes* ' s " Top 20 Millennials on a Mission " and founder of THINX " Sam Horn ' s smart and

snappy book will teach you how to get people ' s attention—and keep it. ” —Daniel H. Pink, #1 New York Times –bestselling author of To Sell Is Human “ If you can ' t get people ' s attention, you ' ll never get their business. Sam Horn ' s new book shows how to quickly earn respect so people are motivated to listen. ” —Terry Jones, founder of Travelocity and WayBlazer and chair of Kayak “ A must-read for those in the workplace who want to contribute at their highest level and create more strategic networks. ” —Betsy Myers, former executive director, Center for Public Leadership, Harvard Kennedy School “ Horn offers innovative ways to initiate genuine conversations and meaningful connections that turn strangers into friends. ” —Keith Ferrazzi, author of the #1 bestseller Never Eat Alone

'One of the most important and compelling books I've ever read...If you want to understand why we are in this crisis, listen to the voices all too often airbrushed from the political conversation' Owen Jones Now We Have Your Attention makes sense of what is happening in British politics by taking a radically different perspective: the people's. From a warehouse in Manchester to a pub in Essex, from the outskirts of Glasgow to a racecourse in Durham, Jack Shenker uncovers the root causes of our current crisis and the future direction of British politics through the lives of ordinary individuals. Taking us deep into communities hollowed out by austerity and decades of economic disadvantage, among a generation crippled by precarious work and unaffordable housing, he shows where the chaos at Westminster ultimately springs from - and how disillusionment with it is fuelling a passionate engagement with politics of a completely different kind: local, personal, effective and utterly fearless. Joining a 'McStrike' protest on a roundabout in Cambridge and a gathering of the London Renters' Union in the aftermath of Grenfell, meeting hard-right bloggers in Newcastle and climate change protesters in Brighton, Shenker draws on exceptional access to campaign groups, activist movements and grassroots gatherings throughout the country - including unique access to Momentum, who have re-radicalised the Labour party from the outside in - to introduce us to the citizens and leaders of tomorrow: people who are changing things for themselves. Inspiring and terrifying in equal measure, Now We Have Your Attention uncovers a revolutionary transformation in attitudes and behaviour, and a future that will shape us all.

The wave of liberalization in the 1990s changed forever the face of India. It bolstered the economy. It raised the stock index. It raised hem lines of skirts even more. It led to the growth of the fashion police And also the moral police. Numbered items became item numbers. To the twenty-two scheduled languages were added C, Cobol, Java. You were either watching sitcoms or starting dotcoms. News became entertainment. Entertainment became news. Terror struck the country-sometimes in the form of gunmen from across the border and sometimes in the form of Bollywood movies. To SMS-ize-'It wuz da best of tyms, it wuz da wrst of tyms' Having been a part of this chaotic revolution in popular culture, blogger Arnab Ray of greatbong.net takes a funny, sarcastic, politically incorrect and totally irreverent look at assorted random stuff including Bollywood C-grade revenge masalas, ribald songs of the people, movie punching, fake educational institutes, stubborn bathroom flushes, unreal reality shows, the benefits of corruption, opulent weddings, brains in toaster ovens, seedy theatres and pompous non-resident Indians.Nothing here is off-limits and no cow too holy.We guarantee it

Can I Have Your Attention? is not your traditional self-help book that offers 12 simple steps to enhance brainpower. Nor is it a book on Eastern Wisdom, spirituality, or conventional meditation. It is an eye-popping adventure that combines ancient, high-speed attention-building processes with cutting-edge attention research in psychology, neurology, and biology. Through Joseph Cardillo ' s engaging personal account of the world of human attention—which synthesizes the stories of more than two dozen experts—you will uncover surprising secrets about the workings of your own mind. Did you know that: — You can use your attention to perfect any daily activity—from piano playing to work- related activities to perfecting your golf swing? — In just one-six-hundredth of a second, a random detail you glimpse in the corner of your eye can determine whether you like someone you just met, cause or avoid an accident, make you feel happy or depressed all day, and lead you to succeed or fail at anything you try? — Specifically designed meditation techniques can be used to scan and shift brain waves, altering one ' s attention as effectively as electrode-packed biofeedback instruments? — Most importantly, you can train your attention to turn such processes on or off on command? This fresh look at ancient attention skills and new science will transform your thinking about what human attention is as well as offer a guide to incorporating its insights into your daily life. Can I Have Your Attention? even presents a redefinition of attention deficit and reveals a variety of natural, non-medical tools that can significantly amp up anyone ' s attention!
