Seeing is Understanding. The first VISUAL guide to marine diesel systems on recreational boats. Step-by-step instructions in clear, simple drawings explain how to maintain, winterize and recommission all parts of the system - fuel deck fill - engine - batteries - transmission - stern gland - propeller. Book one of a new series. Canadian author is a sailor and marine mechanic cruising aboard his 36-foot steel-hulled Chevrier sloop. Illustrations: 300+ drawings Pages: 222 pages Published: 2017 Format: softcover Category: Inboards, Gas & Diesel

Franklin, Jack, Marla, Thadius, and Caitlin... this unlikely group of assorted misfits are the Cemetarians, a group that will take on any job - no, really, we mean any bloody job (money's a bit tight right now)! Trudge through disgusting sewers to battle manatee-massacring mermaids and soggy cultists, creep through creepy, fog-littered cemeteries straight out of an ancient Hammer Film soundstage, confront undead lecherous lodgers and other assorted beasties, creepies, and ghoulies. It all comes down to whether an adolescent giant Automaton, a truly mad, Mad Scientist, a surly Necromancer, a Banshee's granddaughter, and a reluctant furry monster straight from under your little sister's bed can manage not to kill each other - or, at least, quit fighting over the tele-privilege-schedule long enough to get the job done! Not likely.

This short paperback gives a wealth of information on small boats and their safe operation.

30GS 3.0L in-line 4-cylinder (135 HP), 43GL 4.3L V-6 (160 HP), 43GI 4.3L V-6 (180 HP), 43GXI 4.3L V-6 (210 HP), 50GL 5.0L V-8 (220 HP), 50GI 5.0L V-8 (250 HP), 50GXI 5.0L V-8 (270 HP), 57GS 5.7L V-8 (225 HP), 57GS 5.7L V-8 (250 HP), 57GSI 5.7L V-8 (280 H

Pounder's Marine Diesel Engines and Gas Turbines, Tenth Edition, gives engineering cadets, marine engineers, ship operators and managers insights into currently available engines and auxiliary equipment and trends for the future. This new edition introduces new engine models that will be most commonly installed in ships over the next decade, as well as the latest legislation and pollutant emissions procedures. Since publication of the last edition in 2009, a number of emission control areas (ECAs) have been established by the International Maritime Organization (IMO) in which exhaust emissions are subject to even more stringent controls. In addition, there are now rules that affect new ships and their emission of CO2 measured as a product of cargo carried. Provides the latest emission control technologies, such as SCR and water scrubbers Contains complete updates of legislation and pollutant emission procedures Includes the latest emission control technologies and expands upon remote monitoring and control of engines

The world offers fantastic experiences and human encounters in new environments; these are life's highlights. In My Impressions, author Frank Olsson captured many special moments during his worldwide travels and now shares these in this memoir and travelogue. A collection of twenty-nine notes on life and travel, the events take place in Asia, the United States, Europe, and New Zealand. The vignettes describe the locations and experiences with a light and positive approach, reflecting Olsson's appreciation for his rich life. Meet the cab driver in New York; have a drink at the Wells Tavern; tour Petoskey, Michigan; stroll the streets of Milano; and relax on the beach at Waikiki. Filled with vivid descriptions of people and surroundings, and interspersed with tidbits of local history, My Impressions showcases Olsson's wide array of experiences during his international travels in the banking industry. The writings highlight Olsson's openness to new people and new situations, and underscores the philosophy that deep and genuine friendships can be made anywhere in the world.
