The MicroStrategy Report Services: Documents and Dashboards course provides an overview of Dynamic Enterprise Dashboards™ built in MicroStrategy Report Services™ in MicroStrategy Web™. The course introduces the many features that enable you to create sophisticated, boardroom-quality documents and the various types of documents. In this course, you will learn about panel stacks, selectors, dashboard templates, and analyses. Additionally, you will learn about graph formatting features, best uses for certain graph types, and best practices in dashboard design. The course also covers Flash-specific features, as well as document performance topics. You will be introduced to Visual Insight™ features and capabilities.

The second book in the steamy, romantic Body Finder thriller series by Kimberly Derting. Violet and Jay are finally dating, but adjusting to the new relationship is not as easy as Violet anticipated. Especially when she has to split Jay's time and attention with his new best friend, Mike, and Mike's pesky younger sister—who happens to be obsessed with Jay. Meanwhile, when Violet's special abilities lead her to the body of a young boy, her tip to the police puts her on the radar of the FBI. Violet tries to fend off the FBI's questions while maintaining the semblance of a normal life, but somebody's leaving her threatening notes and an echo around Mike's house reinforces that all is not right. Violet is forced to admit that perhaps the only people who can help her figure it out are the very people she's desperate to avoid—the FBI. Desires of the Dead is the compulsive second book in the four-book Body Finder series by Kimberly Derting.
