The author presents both sides of an argument with a neutral voice and use a "down-to-earth" writing style. By using Social Problems: A Down-To-Earth Approach 10e, not only do students gain a sociological understanding of social problems, but also they are able to explore—and evaluate—their own opinions about specific social problems. They will gain a greater awareness of the social forces that shape their orientations to social problems and their perspectives on social life.
