Mr. Michael McGregor is a fictional character in Peter Rabbit series of children's books written by author and illustrator Beatrix Potter.He is an elderly Scottish horticulturalist intent upon keeping the rabbits out of his vegetable garden and occasionally attempting to catch them to put them in a pie and eat them. Potter denied the character was based on a real person but her mentor in ...

Mr. McGregor - Wikipedia

From 1882 onwards they abandoned Perthshire and instead began to spend their summers at Lindeth Howe in the English Lake District, beginning Beatrix Potter's much better known association with that area. The eleven summers Beatrix Potter spent in Perthshire seem to have been highly influential on her later life and career. The local postman, Charles Macintosh, introduced her to the flora and fauna of the area, and, in particular, sparked her interest in fungi, a subject that was to become a ...

Beatrix Potter's Gardening Life - Workman Publishing

Over the next year, we can see from our Herbarium Visitors' Books that Potter was a regular visitor to the Herbarium and in her journal, she writes about her interactions with the Herbarium's Principal Assistant, George Masee. We hold just one letter in the Archives from Potter to Thiselton-Dyer, which is dated 3 December 1896.

"An enchanting and original account of Beatrix Potter's life and her love of plants and gardening."
—Judy Taylor, vice president of the Beatrix Potter Society There aren't many books more beloved than The Tale of Peter Rabbit and even fewer authors as iconic as Beatrix Potter. More than 150 million copies of her books have sold worldwide and interest in her work and life remains high. And her characters—Peter Rabbit, Jemima Puddle Duck, and all the rest—exist in a charmed world filled with flowers and gardens. Beatrix Potter's Gardening Life is the first book to explore the origins of Beatrix Potter's love of gardening and plants and show how this passion came to be reflected in her work. The book begins with a gardener's biography, highlighting the key moments and places throughout her life that helped define her, including her home Hill Top Farm in England's Lake District. Next, the reader follows Beatrix Potter through a year in her garden, with a season-by-season overview of what is blooming that truly brings her gardens alive. The book culminates in a traveler's guide, with information on how and where to visit Potter's gardens today.

Traditional rhymes, adapted and illustrated by Beatrix Potter, are combined with her original rhymes and riddles.

Contains charts and record-keeping pages, as well as tips for producing a beautiful garden

Projects inspired by Beatrix Potter's country stories include ideas for both indoor and outdoor projects for young gardeners.

The world famous artwork of Beatrix Potter needs little introduction – it is as beloved as the familiar children's stories it illustrates. But few know of her work in the gardens and interiors of Hill Top, the farmhouse Potter purchased in 1905. The estate and surrounding scenery inspired many of Potter's stories and illustrations, and this gorgeously illustrated book shows Potter's homes and her magnificent gardens beside those drawings, revealing the real-life sources for Peter Rabbit and many other Potter classics. The book also includes letters and diary excerpts, further exploring the relationship between Potter's home in the Lake District and her iconic artwork. For those fans of Potter who want to delve further into her aesthetic underpinnings, this intimate look into Potter's private world is a must-have.

A New York Times Bestseller and AHS Book Award winner The 18-acres surrounding the White House have been an unwitting witness to history—kings and queens have dined there, bills and treaties have been signed, and presidents have landed and retreated. Throughout it all, the grounds have remained not only beautiful, but also a powerful reflection of American trends. In All the Presidents' Gardens bestselling author Marta McDowell tells the untold history of the White House Grounds with historical and contemporary photographs, vintage seeds catalogs, and rare glimpses into Presidential pastimes. History buffs will revel in the fascinating tidbits about Lincoln's goats, Ike's putting green, Jackie's iconic roses, and Amy Carter's tree house. Gardeners will enjoy the information on the plants whose favor has come and gone over the years and the gardeners who have been responsible for it all.

Beatrix Potter is one of the world's bestselling, most cherished authors, whose books have enchanted generations of children for over a hundred years. Yet how she achieved this legendary status is just one of several stories of Beatrix Potter's remarkable and unexpected life. Inspired by the twenty-three 'tales', Matthew Dennison takes a selection of quotations from Potter's stories and uses them to explore her multi-faceted life and character: repressed Victorian daughter; thwarted lover; artistic genius; formidable countrywoman. They chart her transformation from a young girl with a love of animals and fairy tales into a bestselling author and canny businesswoman, so deeply unusual for the Victorian era in which she grew up. Embellished with photographs of Potter's life and her own illustrations, this short biography will delight anyone who has been touched by Beatrix Potter's work.

The Real Beatrix Potter is a fascinating and revealing biography of one of the world's most cherished children's authors. Beatrix Potter's famous little white books have enchanted generations of young readers who adored the characters she created and of course her own distinctive illustrations. Born into a typically repressed Victorian family it was assumed that Beatrix would achieve little more than finding herself a rich husband, and so there was no point in bothering to educate her. But the Potters underestimated their daughter. Stifled by the lack of stimulation, she educated herself in art, science, and of course a great love of the natural world. The success of Peter Rabbit proved her to be creative genius who could have become the toast of the London literary scene, but when her fiancé tragically died Beatrix retreated to the Lake District where she reinvented herself as a successful farmer, a canny businesswoman and an early environmental pioneer. Passionately campaigning to save the area from development she helped establish the National Trust, and despite her great wealth Beatrix lived out her days in humble anonymity.

Published in time for the 150th anniversary of her birth, this story stars a young Beatrix Potter, creator of The Tale of Peter Rabbit and many other classic children's books. Master of the historical fiction picture book, Hopkinson takes readers back to Victorian England and the home of budding young artist and animal lover Beatrix Potter. When Beatrix brings home her neighbor's pet guinea pig so that she can practice painting it, well . . . it dies! Now what? Written in the form of a "picture letter," this charming, hilarious, and mostly true tale is a wonderful introduction to a beloved author/illustrator. An author's note includes photographs and more information about Beatrix Potter's life and work. "A charming, delightful homage." –Kirkus Reviews, Starred

"For gardeners, botanists, and fans of Laura Ingalls Wilder, this book looks at the beloved Little House on the Prairie author's relationship to nature." –Publishers Weekly The universal appeal of Laura Ingalls Wilder springs from a life lived in partnership with the land, on farms she and her family settled across the Northeast and Midwest. In this revealing exploration of Wilder's deep connection with the natural world, Marta McDowell follows the wagon trail of the beloved Little House series. You'll learn details about Wilder's life and inspirations, pinpoint the Ingalls and Wilder homestead claims on authentic archival maps, and learn to grow the plants and vegetables featured in the series. Excerpts from Wilder's books, letters, and diaries bring to light her profound appreciation for the landscapes at the heart of her world. Featuring the beloved illustrations by Helen Sewell and Garth Williams, plus hundreds of historic and contemporary photographs, The World of Laura Ingalls Wilder is a treasure that honors Laura's wild and beautiful life.
