When an agent from the Imperium Intelligence Service shows up on Tiadaria's doorstep, he leaves her with unwelcome news. Recovering from their brutal defeat at Dragonfell, the Xarundi are seeking out an ancient and incredibly powerful relic buried in the snow and ice of the Frozen Frontier. Tiadaria travels to the city of Ethergate to seek out an apprentice skilled in magical research. Even with his reluctant help, unearthing information on the relic proves to be almost impossible until a savage turn of events puts them on the right path. Now it's a race against time through some of the most unforgiving territory on Solendrea to beat the Xarundi to the relic and stop them from unleashing its devastating power on the unsuspecting masses.

As far as bad luck goes, Tiadaria's has been the stuff of legend. After being sold into slavery by her father and

accused of a murder she didn't commit, she finds herself facing the executioner. The only thing standing between her neck and the sharp edge of the axe is the village Constable. After thirty years of loyal service to the Imperium, Royce has retired to King's Reach as the village's Constable. He thought that the frontier town would be the perfect place to rest, relax, and die in peace. He was wrong. With a crooked Magistrate on one hand and a conniving slaver on the other, things are anything but peaceful. To complicate his life even further, the slave with her neck on the block seems to possess the same magic Royce has hidden all his life. Paying off Tiadaria's bond, Royce takes possession of a slave in a land where slavery is verboten. Now he must teach her to trust him, teach her to fight, and teach her about her unique abilities before they both run out of time. An ancient menace is coming. The Xarundi have returned. They are the most dangerous enemy humanity has ever faced, and they have a thousand years of bloodthirsty vengeance to exact.

Discover a whole new realm of adventure! When a wandering swordmage, trained by the elves of Myth Drannor, returns to his boyhood home on the windswept shores of the Moonsea, he finds that corruption has taken hold, leaving his friends and family open to a devastating evil.
