Essential life skills from America's most trusted lifestyle expert-together in one beautiful and practical handbook, with hundreds of ideas, instructions, and inspirations Martha Stewart is America's go-to source for the best answers to nearly every question. As an authority on the many worlds upon which she's built her domestic empire, she can advise on everything from creating a cutting garden and setting the table to playing classic lawn games or building a campfire. Whether it's organizing, celebrating, cleaning, decorating, or any number of other life skills, these are the time-tested, Martha-approved strategies for frequent challenges and basic how-to knowledge that everyone should have at the ready. Also included are plenty of solutions for the not-so-common conundrums, such as how to transport a decorated cake, bathe a cat, or fold an American flag. With hundreds of expert tips and useful insights in an easy-to-follow format, this is the manual you need to learn how to do everything-the Martha way.

Hundreds of clever tips, solutions, and easy ways to elevate every day, from America's most trusted lifestyle authority, in one must-have handbook Inside these pages Martha shares all her best good things-the original life hacks for the home-to make your life easier, more fun, more delicious, and more efficient. These practical tricks cover all areas of Martha's domestic expertise, including decorating, organizing, homekeeping, cooking, entertaining, and celebrating. From clever ways to solve common problems (use file folder dividers to organize cutting boards and sheet pans in your cabinets) to time-saving tricks (keep a pail stocked with cleaning supplies for easy access and portability to stress reducers (color-code kids' bathroom gear to make mornings less hectic), every one of these ideas will make you wonder, "Why didn't I think of that?" Also included are ways to use what you have (a Parmesan cheese rind will add great flavor to soup), streamline your stuff (use certain kitchen tools for many different purposes), or just make life a little more luxurious (add elegance to your table with DIY place cards). Whether functional, delightful, or a little bit of both, these are the details that enliven and inspire every day-that's a good thing!

Drawing on hundreds of hours of exclusive interviews with Martha Stewart, her family, and her close friends and colleagues, Allen finally reveals the other side of the story, bringing to life the flesh-and-blood woman behind the controversial and glamorous public image.

Essential Manners for Men helps men make the right decisions about what to do and say in every situation that counts. Peter Post, great-grandson of Emily Post, distills the essential information men need for all the important roles they play in life. Organized into three parts -- "Daily Life," "Social Life," and "On the Job" -- *Essential Manners for Men* resolves situations that can stump even the savviest. Peter Post's advice is sharp-witted and sensible, with tips, boxes, and candid anecdotes about his own etiquette blunders. Topics include: The most important behaviors to avoid and emulate at the gym, at work, on the golf course, at home, out with friends, at a business social event, and a child's ball game Tipping, driver's "ed-iquette," introductions, sportsmanship, and parenting Successfully sharing living spaces with a roommate, significant other, or spouse -- from the toilet seat to the remote control to the kitchen sink How to throw a great party or be the perfect guest How to successfully navigate the business dinner Things men do wrong that make women wince, and things men do right that women love The five-step process to resolve any situation where there is no etiquette "rule" Short and shoot-from-the-hip honest, *Essential Manners for Men* is a book no man can afford to be without.

After her American uncles place her with cruel foster parents, English orphan Ethel Eldon relies on her Christian faith to care for her brothers and sisters, and determines to use her sewing skill to make a home for them.

What if every successful start-up followed a predictable pattern, and by knowing that pattern ahead of time, you could be more successful? In The Hockey Stick Principles, business consultant Bobby Martin shares his study of more than 100 new businesses, from Lending Tree to Under Armour to iContact, to show that every one of them has had a "hockey stick" growth history, starting with a tinkering period, moving through the daunting "blade years" before finally making it to the crucial inflection point that precedes surging growth. In this simple but incredibly helpful book, Martin takes us through each of those four stages of the hockey stick pattern, giving us a road map that will help any entrepreneur navigate the inevitable ups and downs of their business's early years.
