For years, wolf shifter Jaime Farrow has harbored a not-so-secret crush on gorgeous Dante Garcea. But the time has come for Jaime to face facts: despite her best efforts, Dante just isn't interested. And that's probably for the best. The last thing Jaime needs is for anyone--particularly Dante--to find out about her little "problem"--the one that haunts her past and threatens to destroy her and everyone she loves... As the pack Beta, workaholic Dante Garcea is responsible for the protection and safety of his entire pack and doesn't have time for distractions--especially the kind promised by Jaime Farrow. It's all he can do to keep her at arm's length and his own desire at bay. Yet when her flirtations abruptly end, Dante becomes suspicious. If a wolf is hiding something that could endanger the others, it's his business to know about it. And she is hiding something, something big, and unless he can convince her to trust him, their entire pack could be in danger. But after years of keeping her--and his desire--at arm's length, he is forced to confront the danger she poses to their pack...and the passion smoldering between them. He knows hot-headed Jaime will resist him...but Dante never takes no for an answer.--

When female wolf shifter Taryn Warner first encounters Trey Coleman, an alpha male wolf shifter with a dangerous reputation, she's determined to resist his charms. But Taryn finds herself drawn in by Trey's forceful demeanor and arctic-blue eyes, and she eventually agrees to enter an uneasy alliance with him. If the two succeed in convincing their respective packs that they've chosen each other as mates, Trey will win valuable political allies, while Taryn will escape an odious arranged mating. Will they be able to maintain the clear heads needed to pull off the deception?

Half-shifter Shaya may hold a submissive role in her wolf pack, but she refuses to let an Alpha male interfere in her life. When Nick refuses to claim her as his mate, she runs off to hide among the humans. Nick can barely control his urges for Shaya, but knows his degenerative brain condition will ultimately destroy him. Yet when she runs away he pursues her-- and discovers Shaya's feisty and passionate side in the process...

It happens whenever wolf shifter Roni Axton is near Marcus Fuller: a crackle of sexual awareness that's intoxicating...and deeply annoying. Marcus is a pack enforcer who oozes power, but Roni is lethal in her own right--nothing like the flirty females who flock around him. Even still, his possessive gaze makes one thing clear. Marcus has singled her out for seduction, and he wants to make her sit up and beg. No matter how aloof and unfazed Roni acts, Marcus can tell she wants him. When a brutal attack by a jackal pack forces them to work together, it's the perfect opportunity for Marcus to chip away at her defenses--until he falls into his own trap, completely unprepared for the intensity of their connection. Roni is the only one who's ever seen past his shifter charm and discovered the man hiding beneath it. And for Marcus, claiming Roni once will mean needing her forever.

She's a lone wolf with a cause. As a volunteer at a shelter for lone shifters--the same one that rescued her--Makenna Wray has dedicated her life to finding homes for its residents. And when she discovers that a teen in her care is related to Ryan Conner, the broody, handsome-as-sin enforcer of the Phoenix Pack, she's eager to help connect the two. She just wasn't prepared to feel a connection of her own. Lone wolves are loners for a reason--and most of them bad. Or so Ryan assumes until he meets the mysterious Makenna. Quirky and sensual, she seems to enjoy riling him, especially when she refuses to discuss her past. Although there is no mating bond, he's sure she's the one. All he has to do is be patient and wait. But when another pack's sinister Alpha comes sniffing around, threatening Makenna and her shelter, this enforcer is ready to let his wolf off the leash...

Return to the sensual and feral stirrings of the Phoenix Pack as a woman who's already bound to one man is tempted by a wolf who's bound only to his nightly desires. Cat shifter Mila Devereaux can't help but see it as a betrayal. That her one true mate imprinted himself on another female was hard enough to accept. Struggling to be at peace with her loveless fate, she doesn't fight the suggestion of entering an arranged mating. Then she meets Dominic, a pack enforcer with a notorious reputation. It's in his very scent. This irresistible playboy--and delicious badass wolf--is making Mila's fantasies come alive again. Alarming, compelling, and heady with sensual energy, Dominic is an expert at making women shed their inhibitions. Now everything about him--his killer smile, his perfectly sculpted body, and his smooth-as-honey voice--is drawing in a captivating new catch. But for the first time in his life, Dominic is feeling more than a fling. He finds himself tantalized by a female who makes him think of forever. He wants all of Mila and won't be satisfied until he has it. As the passion grows wild, so does the risk. They're falling in love in the shadows and secrets of their pasts. And it's threatening to destroy everything Mila and Dominic are fighting for. And are destined for.

It all started with a wedding... Well, three weddings, to be exact. The one that happened, the one that went up in flames, and the one nobody saw coming. I've seen a lot of things living in Vegas. Hell, I've done a lot of things. But one thing I've never witnessed is a beautiful brunette, hitchhiking her way into the city, wearing a wedding dress. Until now, that is. Brynne Adams is running away from a broken heart. She expected a lot of things from her wedding day but finding photos of her fiancé and maid of honor and best man in a compromising position wasn't one of them. And I'm absolutely certain she never imagined she'd end up marrying me, the stranger that rescued her from the side of the road that day. Our quick nuptials may have been the result of a drunken joke, but I soon realize that love can be found in the most unlikely of places if you just stop and take a chance.

Sam Parker is a vampire with a gift so strong and substantial that she is invited to partake in a test for a place in the Grand High Master Vampire's private army. She finds that not only has the army never included a woman, but it has never included a Svénté vampire: a breed that is regarded by the super strong Pagori breed and the hypnotically beautiful Keja breed to be too tame and human-like. Most refuse to take her seriously, especially a Pagori commander named Jared who she craves in spite of herself. The Grand High Master, however, sees her potential and offers her the position of Jared's co-commander to help train the newest squad in time for the impending attack on his home. Sam has to demonstrate to Jared and the squad of chauvinists why it is incredibly foolish to underestimate a wilful, temperamental, borderline-homicidal Svénté female. Warning! This novel contains an iron-willed female vampire with an energy whip, a sexist male vampire who is determined to have her, explicit vampy sex, and a romance story with real bite.
