The path of the Fire Witch is not for the faint of heart. Strong and courageous, these Witches rarely take no for an answer. The Fire Witches are considered to be the rebels of the Elemental Witches. They possess a joy of life that is unequalled. They are extremely sociable creatures. The Fire Witches are all about individuality. Each one is unique.

**The Path of the Fire Witch (Part 1)—Witches Of The Craft**

Fire Witches can be extreme in their behaviors and emotions. They tend to see things in terms of black and white, due to their strong moral instincts. Yet, while Fire Witches can be rigid to certain areas, they are the most playful and joyous of the Elemental Witches. They seem to be always smiling, always willing to try something new.

Fire is but one of four elements that witches are able to manipulate via magic. Since it was most depicted on screen, it is probably one of the most common element-related abilities amongst witches. Throughout the show, Mary expresses a great fondness for this element, and definitely seems to care for and cherish it far more than she does for water, air, or earth.
